Â Monday, 07 January 2008

Scaffolding is complete, and I have returned from Kapurak Alaska where I was working for a company doing an oil spill cleanup (a very interesting experience). There were windchills of 74 below and the schedule was insane, but it was well worth it. I should have some new pic's up within the week!Â Â

Please feel free to send me an E-mail with any questions in the mean-time.
